COMMUNICATION

Sir:

Transmitted herewith is a correction to the Information Disclosure Statement filed September 19, 2006. The "Information Disclosure Statement by Applicant" (IDS) filed herewith corrects the previously filed form PTO/SB/08A by adding in the section entitled "Foreign Patent Documents" the correct designation for the "Patentee or Applicant of Cited Document" and also correctly indicates where documents are being supplied in translated form (column T⁶).

Applicants also have submitted the following two documents in machine translated form:

DE3807532A1

EP136976A2

Originally these documents had been supplied in the native German.

This Communication, the attached Information Disclosure Statement and the corrected IDS are as the attached Statement suggests, believed to be filed before the mailing of the first office action on the merits, otherwise the Office is authorized to charge the appropriate fee to complete the processing of these papers.

Respectfully submitted,

Edward F. Rehberg, Attorney
